BUILT-IN ASSISTANCE FOR EXPERT SEWING AND EMBROIDERY

Let your imagination take the lead!

I'm Tara and I adore sewing, but adding embroidery to my repertoire has pushed my creativity to a completely new level. It's magical the way sewing plus embroidery turns something ordinary into something extraordinary. My best friend, Emma, and I depend on the DESIGNER TOPAZ™ 50 sewing and embroidery machine to bring our ideas to life! And, there's nothing better than when people ask me what store I bought something at and I respond that I made it myself.

Spending my day off fabric shopping and sewing with Emma is always an adventure! One random idea leads to another and before you know it you are creating something really amazing and totally unique.

Join us for a perfect day of laughter, fun and creativity. With my best friend and my DESIGNER TOPAZ™ 50 sewing and embroidery machine by my side, there's no end to what we can imagine and create!

Let's get ready to shine!

With everything I have on my wish list, it's good to know that my DESIGNER TOPAZ™ 50 machine has built-in assistance and time-savers to help me bring my ideas to life!

INTERACTIVE COLOR TOUCH SCREEN

- Provides vibrant colors and an excellent view.

The DESIGNER TOPAZ™ 50 sewing and embroidery machines feature a Color Touch Screen. Touch the selection buttons on the touch panel or step through stitches with the navigation arrows. Everything you need to know is easily accessible on the illuminated Color Touch Screen.

EMBROIDERY DESIGN EDITING AND SAVE

- For perfect, personal results.

The on-screen embroidery editing feature on the DESIGNER TOPAZ™ 50 sewing and embroidery machine is impressive! Scale, mirror and rotate designs. Combine with other designs and personal lettering. Changes appear instantly on the screen. Save your personal combinations and edits.

Assistance for Amazing Results

With the Design Positioning feature you can match your embroideries perfectly every time!

EXCLUSIVE SEWING ADVISOR® FEATURE

– The secret behind the right setting at the right time!

With the Exclusive SEWING ADVISOR® feature there's no guessing. Simply enter fabric type, weight, and sewing technique and all the settings are programmed automatically - stitch, stitch width, stitch length, thread tension, sewing speed and presser foot pressure. It will also recommend the presser foot, needle type and size. With the Exclusive SEWING ADVISOR® feature, it's like sewing with a pair of helping hands!

THE AUTOMATIC JUMP STITCH TRIM

– No thread trimming needed!

This feature trims the jump stitches in embroidery and pulls down the thread ends for hassle-free, expert results.

Action shot!

EXCLUSIVE SENSOR SYSTEM™ TECHNOLOGY

– Adjusts to your fabric thickness
for perfect, even feed.

With a tap on the foot control or the touch of a button; the Sensor Foot Pressure on your DESIGNER TOPAZ™ sewing machine automatically senses the fabric thickness - resulting in a perfect even-feed of any fabric and/or batting. The Sensor Foot Pivot senses the fabric thickness for instant pivoting when the needle is in the down position.

Shine a light on your creativity

LED LIGHTS

- *Maximum light for perfect results*

Clearly seeing your sewing and work surface is vital to your sewing success. The three LED Lights on the DESIGNER TOPAZ™ 50 model illuminate the needle and extended sewing surface to eliminate eye strain.

LARGE SEWING AND EMBROIDERY SURFACE

- *Ideal for big ideas!*

The HUSQVARNA VIKING® DESIGNER TOPAZ™ 50 sewing and embroidery machine features an extra long free arm and sensational 14¼"x8" (360x200mm) embroidery area.

UTILITY, SPECIALTY STITCHES AND ALPHABETS

- *High quality stitches for every technique.*

Choose from 261 stitches and 5 alphabets on the DESIGNER TOPAZ™ 50 machine. Choose the stitch on the Interactive Color Touch Screen. The stitch appears in actual size and at recommended settings - you are ready to sew!

Combining designs on screen is so much fun and lets me create unique combinations that fit every project perfectly!
